

CABLE TIES G

Ideal for securing tie-on tags, labels and holders to electrical wiring, pipes and conduit. Black ties have a higher UV resistance due to increased Carbon black loading. G series ties offer rapid installation due to the low friction coefficient of the material and have an angled tongue to facilitate easy introduction into the buckle. Rounded corners for increased safety.

CERTIFICATES 

▫ 2011/65/EU

CABLE TIES G

Technical characteristics

Min operating temperature range	-40 °F
Max operating temperature range	185 °F
Min operating temperature range (surge)	-40 °F
Max operating temperature range (surge)	248 °F
UL94 class	V2
Material	Polyamide PA6.6

CABLE TIES G
